

JESSE EDWARDS

Jesse Edwards lives and works in New York, NY and Seattle, WA. Edwards studied oil painting at the Gage Academy of Art in Seattle and later studied ceramics with Charles Krafft. He worked with Chuck Close, a well known photo-realist painter, from late 2012 to early 2013. Edwards historicizes American counterculture by representing its symbols and iconic imagery in formal art historical genres such as still lifes, landscapes and portraits.
